

Mexican Train Score Sheet

Lowest total wins
Double-12, 13 rounds.

Round								
Name								
12								
11								
10								
9								
8								
7								
6								
5								
4								
3								
2								
1								
0								
Total								

Write the dots left in each hand. The player who goes out scores 0. Some tables start at 0 and count up. A double-15 set needs more rounds.

Track each round in Paper Score.
